

CLIMATE RESILIENT HEALTH SYSTEMS REGIONAL GATHERING

Double Tree by Hilton (Calgary North Location)

May 6-7, 2025

403-721-2262

info@bighornhealth.ca

www.bighornhealth.ca/conferences/

Provide First Nations' insight and learn from real-life models to improve health resiliency in the face of climate change.

Learn about the impacts of climate change on health and health systems.

Facilitated discussions on First Nation's priorities and needs in addressing the impact of climate change on health.

We recommend selecting 2 (two) representatives who are leading and/or planning your community's health and emergency, outreach and prevention programs, including Tribal Council members, Emergency Response Officials, Health Officials, Elders, healthcare and other non-clinical staff.

REGISTER NOW

Room for two (2) delegates from each community!
